

This cake, made by the Cottolene recipe, using **only** Cottolene for shortening, won the **first prize** three separate times at the Texas State Fair. Cottolene recipes are all winners, at home or elsewhere.

## Cottolene

Remember, however, that you do not need to use as much Cottolene as you would of butter or lard. Always use one-third less when cooking with Cottolene, for Cottolene goes much farther.

You save money, any way you figure, if you cook with Cottolene, and your food is more wholesome and more digestible. If you will give Cottolene one fair trial, you will continue to use it for everything except on the table.

This is the recipe for the prize-winning cake, by Mrs. W. J. Stone, Dallas, Texas:

Three-fourths cup of Cottolene, 2 cups sugar, 3 cups flour, 1 cup milk, 2 teaspoons baking powder, 6 whites of eggs beaten to stiff froth, 2 teaspoons lemon extract. Cream 3-4 cup of Cottolene with sugar, add milk and flour alternately until well mixed, then add whites of eggs and extract. Grease tins and flour them; light the gas just as you place cakes in stove. Put all three layers in and cook at once. Let the cake cool an hour or so before icing.

**FILLING**—Two cups sugar and just enough water to moisten, cook until it threads from the spoon. Beat whites of 2 eggs to stiff froth, pour the boiling syrup over the whites and beat constantly, then add 1 teaspoonful of lemon extract and 1-2 package shredded coconut, and ice your cake. If icing begins to get too stiff to ice add about 2 tablespoons of boiling water and beat well.

Give yourself the satisfaction of knowing what Cottolene can do. Order a pail of it from your grocer; also send to us for the interesting FREE Cook Book, **HOME HELPS**, written by five leading authorities. Write for it today.

## NEW DIRECTORY IS THOROUGHLY PREPARED

Albuquerque City Guide Has Many Improvements Over Directories Used Here in Past.

### ADVANCE SALE FOR "FRECKLES" PROMISES GOOD SIZED HOUSE

The new 1914 Albuquerque city directory, prepared by H. S. Lithgow and printed by the Lithgow Manufacturing Stationery company, is being distributed to subscribers today. The new book, a bulky, yellow backed volume of more than 450 pages, indicates Albuquerque's recent growth. The book has been very carefully prepared, is accurate, thorough and carries many marked improvements over the old forms of directories in use here.

The strong indication lines are especially good, being in large black capitals and arranged so as to make location of any street and number on the street very easy.

The new directory is a home producer from cover to cover, and as such will doubtless be cordially received, although it merits its large subscription list by its completeness.

### FORMER ALBUQUERQUE WOMAN PASSES AWAY IN OKLAHOMA CITY

The following from the Roswell Record will be read with regret by a number of Albuquerque people:

Word reached relatives in the city today of the death this morning at Oklahoma City of Mrs. Carrie Reed, wife of Walter Reed and a sister of Messrs. Charles and A. L. Whiteman of this city. Death was due to Bright's disease and came after a long illness. At her bedside when she died were Mr. and Mrs. A. L. Whiteman.
